**ANCIENT ASTRONAUTS -
THE GODS FROM PLANET X [DVD]**

Do the stories of the Bible and other sacred texts speak of gods or extra terrestrials?

The history of the human race and its true origin can be traced back through archaeology and a careful study of our past. Many of the world's most ancient sites and artefacts still exist. This proves that advanced technology was used in ancient times, however how was this knowledge acquired?

In the early 1900s, British archaeologists began excavations in the ancient Sumerian city of UR. They discovered thousands of clay tablets, each of which detailed the time when the Sumerian people lived amongst their gods "Anunnaki". They left many wall carvings showing which showed their interaction with these being. Each of these gods was portrayed as winged figured coming down from heaven.

Archaeologists unearthed these artefacts in temples and palaces, rocks and caves, etched on cylinder seals and painted on walls. In these paintings, the winged figures accompanied kings and priests, standing above their thrones and 'hovering' above them in battle scenes. The ancient Sumerians knew of the planet of gods called 'Nibiru' now known as the '12th Planet' and understood that this planet had an elliptical orbit returning to the Earth's proximity every 360,000 years.

The Sumerian sign for the 12th Planet, the 'Planet of the Crossing' was a cross. The ancient Sumerians not only predicted the periodic crossing of this 12th Planet with the Earth but charted its advancing course as they wanted to prepare for the coming rains and flooding from the strong gravitational effects Nibiru created on Earth. Mesopotamian and Hebrew prophets considered this scientific happening to create a new era for their people. Learn of a time when there were 'Giants upon the Earth' and see the actual evidence and artefacts from a time when man lived amongst his living gods!

Featuring Jason Martell, star of the History Channels 'Ancient Aliens' series.

Comprehensive 2-disc DVD set – with over 3 hours of Ancient Aliens!

Language: English

Running Time: 113 Minutes
