## BLACK DRAGON [DVD]

One man's life is altered by the hand of fate. A super-secret government agency with an even more secret drug has fallen into the wrong hands. After the government's 'accidental agent' does their bidding, will the latest secret weapon ever be free?

When uncool Jamal decides a tattoo will free him from his terrible record with women, destiny deal him a dirty blow. He is accidentally injected with the top secret experimental government serum and becomes the ultimate Super-Agent! The ultra-enigmatic 'agency' devises a plan to get 'Black Dragon' to do their bidding. Once this 'test' mission is completed, Jamal wants to break his chains. Unaware of the extent to which he will be controlled for the future, Jamal dismisses the events he has experienced as a bizarre nightmare. However, it is not a nightmare. His future and everyone else's is uncertain.

### About Holliday Entertainment

Holliday Entertainment is an independent film, digital movie production and distribution company located in San Francisco Bay Area California. Founded in 1999 their mission is to create movies that educate the public on urban life perspectives and issues in an engaging and entertaining way.
