UFO'S DO NOT EXIST: THE GRAND DECEPTION AND COVER-UP OF THE UFO PHENOMENON [DVD]

From the dark years of the UFO era, this amazing documentary details the facts they DON'T want you to know. UFO's are real and the government and military forces know it. These factions have researched and investigated sightings as early as the late 1930's, while simultaneously denying any interest in the UFO phenomenon. They have been debunking and covering up UFO sightings, crashes and incidents for decades.

This fascinating DVD covers over 100 UFO cases including: UFO sightings and encounters during World War II and Vietnam.
