SECRETS OF THE SERPENT [DVD]

Across time and across the world, an ancient serpent cult once dominated mankind. A great battle ensued and Christianity stamped its authority on the face of the planet. Now, after years of research, the real religious history of the world can be told.

In 'Secrets Of The Serpent', Philip Gardiner for the first time reveals the worlds most mysterious places once sacred to the serpent cult. The history & mythology of the so-called reptilian agenda and alien visitation in ancient times now has a solid opponent-giving answers for the many symbols and myths often confused by those who believe in such things. In 'Secrets Of The Serpent', the author reveals the real "bloodline" spoken of by Dan Brown in the Da Vinci Code - It was in fact a serpent bloodline. The truth shall be found in Secrets Of The Serpent. Now after years of research, the real religious history of the world can be told.

Philip Gardiner is a best selling UK author who has been researching the world of the esoteric for over 15 years. His critically acclaimed books include: "Proof, Does God Exist?", "The Shining Ones", "The Serpent Grail" and "Gnosis: The Secret of Solomons Temple Revealed".
